Helpful resources/revision guides/websites/exam preparation

www.ocr.org.uk: this website is where the specification and mark schemes for the units can be found.

Revision packs are provided free of charge for pupils, which contain notes, practice papers and answers. Pupils have access to both paper and electronic copies of revision materials. Pupils are encouraged to complete these, both during revision sessions in class and at home.

Class revision is a key element to exam preparation. Pupils must ensure they complete homework tasks set from these sessions to maximise the benefit of their revision.

Revision guides are available to buy off Parent Pay.
